- We’ll limit the size of classes to 50% of a typical class
- We’ll limit the number of people in the building by meeting you outside the vestibule when you arrive.
- We’ll do a quick health screening and temperature check when you arrive.
- We’ll direct you to a hand wash station to use before entering.
- We’ll be wearing cloth face coverings; we encourage you to wear one as well. Free disposable masks available.
- We’ll have students stay in one room of the building for their class and will remain socially distanced to the extent possible
- We’ll minimize the sharing of class supplies and discourage bringing items from home.
- We’ll disinfect restrooms and other high-touch points before and between each class and hand sanitizer will be available throughout the building
